#### UNION ON CANDIDATES MEANS VICTORY.

We think we may take it for granted that every man in the United States who is in favor of the coinage of silver at the ratio of 16 to 1, on equal terms with gold, has returned to Carlisle. and also an independent financial policy for the United States, is in favor of union with all others who entertain the same views. It must be obvious to all intelligent men that without such union, releif can never come. We believe this proposition to be true, and we advocate such a union and suggest a discussion of the propriety of the silver men coming together without regard to previous political asociation. The response to this suggestion coming from all sections of the country is most gratifying. There has been hardly exceptions enough to demand our notice. The few who have objected have admitted that the money question was not the paramount issue with them and that their advocacy of financial re-Chifton, Thomas, San Jose, Curtis, In fact, if they were to be judged form was a mere secondary matter. by the language they used, they doctor from Carlisle accompanied would be classed with emissaries of Wall Street.
